Objective

Motivated computer science graduate with hands-on experience in building responsive and user-friendly web applications. Seeking an entry-level frontend web developer role to apply and enhance my technical skills while contributing to impactful projects.

Education

Maharaja Institute of Technology   **VTU**
Master of Computer Applications, Mysore, Karnataka   *2023–Present*
Current CGPA: **8.7**
Sri K. Puttaswamy First Grade College   **University of Mysore**
Bachelor of Computer Applications, Mysore, Karnataka   *2020–2023*
CGPA: **8.7**

Technical Skills

Programming Languages: JavaScript, Java, HTML5, CSS3

Frontend Frameworks / Libraries: Bootstrap, jQuery, React.js

Tools & Technologies: Git, VS Code, Chrome DevTools

Databases: MySQL, PostgreSQL, MongoDB

Concepts: Responsive Design, REST APIs, Agile Methodology

Design & Prototyping: Figma, Canva

Projects

Voice-Based ATM   **Apr 2025**

- Developed a voice-controlled ATM interface enabling hands-free transactions like balance inquiries, withdrawals, and transfers, improving accessibility for visually impaired users.
- Integrated Python-based voice recognition and text-to-speech technologies for secure, seamless interactions.

Responsive Personal Portfolio Website   **May 2025**

- Designed and developed a personal portfolio using HTML, CSS, and JavaScript to showcase projects, skills, and contact information.
- Implemented mobile-first responsiveness using semantic HTML and CSS Flexbox/Grid.

Weather Web App   **Sep 2024**

- Built a web app using OpenWeatherMap API to fetch and display real-time weather data based on user location input.
- Implemented error handling, responsive UI, and dynamic weather icons using HTML, CSS, and JS.

Mini Web Development Projects

o Created various frontend micro-projects to enhance UI/UX and JavaScript skills, including Tic Tac Toe, To-Do App (React), Stopwatch, Form Validation, Landing Page, and Responsive Navbar.

Internship

Prodigy Infotech **Online**
Web Development Intern *Sep 2024*

o Gained hands-on experience with modern web development tools and best practices.
o Successfully completed assigned frontend projects, applying HTML, CSS, JavaScript, and Git version control.

Certifications

Mar 2025: **The Complete Full-Stack Web Development Bootcamp**, Udemy

Jun 2025: **Responsive Web Design Certification**, freeCodeCamp

Sep 2024: **Web Development Internship**, Prodigy Infotech

Sep 2024: **Graphic Design Essentials**, Canva

Aug 2024: **Java Programming with Mini Project**, Ethnotech Academic Solutions (MITM)

Languages

English (Fluent), Kannada (Native), Hindi (Fluent)

Interests

Graphic Design, UI/UX Design, Art, Photography, Video Games

Volunteering Experience

2023: Volunteer

College Tech Fest Organized and hosted a technical quiz competition, engaging 30+ participants and contributing to the success of the annual tech festival.

2018: Volunteer

School Annual Day Assisted in organizing and managing event activities to ensure smooth execution during the school's Annual Day.
